

What is a Faith Promise

A prayerful commitment between listeners and the Lord, in which listeners pledge a certain amount of money, as the Lord provides, to keep KPRD on the air for the upcoming year.

Faith Promises can be made on monthly or one time basis.

Monthly gifts are important, as bills at KPRD have to be paid on a monthly basis.

No matter the size of the gift, they are all very much needed and appreciated.

If you are not able to fulfill your faith promise, we will not send out the bill collectors. After making a faith promise, though, most listeners are able to pay the full amount as the Lord Provides.

No faith promise should be made to KPRD until you have met your obligations to your local Church.
